Testing User Stories

As an anime fan I want to know more about the work the artist's work and what they had to offer.
Go to the artist site

1. Find information about the artist's upcoming work she has to offer
2. Click the 'Portfolio' link (clicking a chosen category) to open the artist work for that category
3. Find information about the artists and her history
4. Click on the social media links to be directed to her personal sites
5. Click the email link to a directed to emailing the artist directly

As a general drawing / sketching fan I want to be able to contact the artist for commission works or upcoming collaborations.

1. Users can go to the Contact page
2. Fill out the form
3. Click the 'Submit' button
4. Will be contacted directly via email after form has been submitted
